

# K361

OVER-EAR, CLOSED-BACK FOLDABLE STUDIO HEADPHONES

**AKG**<sup>®</sup>  
by HARMAN

## HIGHLIGHTS ■

### **Largest-In-Class Drivers**

50 mm drivers provide superior performance and extended bass response

### **Foldable, Notched Hinge**

Collapsible for maximum portability

### **Slow-Retention Foam Ear Pads**

Superior comfort and fit for longer listening sessions with less bass leakage

### **Sleek Style**

Pro performance with lifestyle fit and finish

### **Closed-Back, Over-Ear Design**

Oval earpads and a closed-back, over-ear design provide superior isolation and improved bass response

AKG K361 Professional Studio Headphones strike the perfect balance between professional-grade quality and consumer-friendly fit, comfort and portability. Combining cutting-edge performance, extended frequency response and supreme comfort in a closed-back, over-the-ear, folding design, the K361 headphones are perfectly suited for life in the studio or on the go.

Content creators and musicians need headphones that deliver uncompromising fidelity and performance while standing up to their mobile lifestyles. Whether you're an artist, producer or discriminating audiophile, you can trust K361 headphones to reproduce natural, balanced audio, precisely as intended—anytime, anywhere.

## KEY MESSAGES ■

### **Uncompromising Fidelity**

When it comes to studio headphones, nothing matters more than accuracy. The K361 features best-in-class sensitivity and frequency response, largest-in-class 50 mm drivers and pure oxygen-free copper voice coils for the utmost acoustic precision, delivering authoritative bass, articulate midrange and pristine highs with detail and clarity.

### **Robust and Roadworthy for Mobile Lifestyles**

K361 headphones pack down tight for portability, thanks to a foldable design with swiveling earcups. A rigorous stress test was performed to ensure the K361 will perform reliably in demanding applications.

### **Supreme Comfort, Sleek Style**

The K361 is gorgeously styled with plush, slow-retention foam earpads in an over-ear, closed-back design for superior isolation and long-wearing comfort, even over the longest sessions. The lightweight design features ergonomically contoured, foldable, self-adjusting headbands for a perfect, repeatable fit, every time.
