ICY BOX **IB-HUB1410-C3** USB 3.0 Type-C™ hub with 4 ports

No more slots?

If you want to use your existing USB 3.0 devices on the latest mobile devices and laptops with a USB Type-C™ port this compact hub is a quick help. It uses a single USB 3.0 Type-C™ port and creates four additional Type-A ports. Problem solved!

Easier than ever

USB 3.0 Type-C™ connectors have two key advantages over existing shapes. They are smaller and thus designed for narrow laptops and mobile devices and it is no longer necessary to plug in the connector in a certain orientation. It will always fit and thus save the user many small annoyances.

Simple and chic

The IB-HUB1410-C3 is made from aluminium and thus very light even if you are on the move. The look, however, does not lose in importance, the hub presents itself with a simple black surface.
